This is a great practice meet for all our gymnasts. This will be in a huge arena, hopefully the younger girls can adjust to the

change. Also for older girls, I know how many changes we have done since the clinic. These changes will not be performed flawlessly at this meet, but by the state meet we should have it. Hopefully scores will be higher and reflect some of the changes.

NO GYM - 2/17 (Friday)

Due to traveling to Dallas for the Metroplex Challenge there will be no gym on Friday February 17th.

Rhythmic Attitudes HOPES

Rhythmic Attitudes Hopes is a non-profit organization. If you would like to use your donations in your 2011 taxes I will place a statement in your folder.

I will place an invoice for Local, Metroplex clinic and for State meet. If you see a balance in the Amount Due please make sure you pay it off before our season starts.

2012 Team warm up & Leo

For our new level 4s, the team leotard is \$85, will be on your next month's Hopes account.

I have already purchased the team warm up set (pants & jacket), shorts, tank top, and the team leotard. It should be here before the State meet. After state meet I will put the crystals on so they will look as sparkly as the last year ones.
